

Experience streamlined **HR/Payroll services** when you partner with Wiss.

It's impossible to meet all of the needs and demands of today - for any business irrespective of size. Pace has quickened and businesses are forced to pivot on the fly. That's why we're here as part of your team to provide you with expertise, depth, and adaptability so you can focus on your core business.

Together, we'll analyze your HR/Payroll needs, and we'll determine which of our services will best solve the day-to-day and long-term obstacles you're facing. We offer full-time, part-time, and project-based options so that you and your business can receive the exact level of attention you need to succeed.

With a strong professional relationship and countless resources at your disposal, you'll feel confident in your HR/Payroll process. Our service offerings include:

HR:

- HR Compliance
- Onboarding & New Hire Support
- Offboarding & Terminations
- Performance Management
- Employee Relations
- Compensation & Benefits
- Talent Management
- HR Technology

Payroll:

- Payroll Processing
- W2s
- Quarterly and Annual Payroll Tax Returns, Federal and State
- State Tax Registrations
- Employer portal and employee portals available
- Exporting journal entries to various software
- Designated Representative
